Reference: MUR 7007

Dear Ms. Rawls,

We are writing in response to a letter we received on February 20th 2016 referring to complaint numbered MUR 7007. We made a contribution to Kyle McCarter for Congress in the amount of \$250.00 from our company checking account in error on December 26th, 2015. A letter and check for \$250 was promptly sent to us on January 28th, 2016 returning the full amount and explaining to us that Federal Law does not permit federal committees to accept contributions from corporations. Please see the attached copies.

We were in error due to the fact we thought Federal Law was the same as Illinois State Law which does allow corporations to make contributions to State campaign committees.

We hope this clears up this matter and if we can provide any other information please contact us at 618 624-5588 or by mail at the address above.

Sincerely,

Mark A. Burgdorf
